Our Business

"I would highly recommend this business for all your smash repairs (big or small)."

Drive Accident Solutions

Drive Accident Solutions is a family operated business which has been servicing the Brisbane CBD Region over 30 years, sharing their experience of collision repairs, and looking after THOUSANDS of customers. From minor scrapes to excessive damage, you can rest assured that our expert team will take excellent care of your vehicle, returning it good as new.

We are focused on the cost, quality, safety and timeliness of all our repairs. Our technicians ensure the fitment of genuine parts, manufacturer repair methods and finest quality materials to deliver a superior result that is of course backed up by the Drive Accident Solutions Guarantee. Not only does Drive Accident Solutions specialise in repairing vehicles from all manufacturer makes and models, we are also supported by all major insurance companies.

Remember you do have the right to choose your own repairer and the MTA Queensland strongly endorses insurers who offer "Choice of Repairer" in their Product Disclosure Statement. If your car is damaged and covered by insurance, exercise your rights according to your insurer's PDS and select us, your choice of repairer, to repair your vehicle.

ISO9001 Certification

Drive Accident Solutions is proud to advise all our clients that we have now achieved ISO9001 certification, and we are the ONLY Smash Repair Facility in Queensland to have achieved this.

Our staff are highly skilled, and we are constantly training them with the latest developments so that we can continue offering our premium service to all our clients, and loyal customers alike.

Our Process

How it Works

If you have an accident, be sure to call Drive Accident Solutions first. Our BRAND NEW WORKSHOP is Brisbane's newest and most 'State-of-the-art' Smash Repairs Facility!

We can explain everything you need to know, either on the phone or when you bring your vehicle to the workshop.

And don't forget that your repairer is at your OWN choice – make sure you choose someone who you are comfortable with, and who you can trust your valuable asset with.

Our years in the business affords us a swift process of assessment, recommendations, and execution to get your car back on the road as quickly, and efficiently as possible.

Services, Maintenance & Repair

“The Drive Accident Solution teams’
knowledge and attention to detail
is impeccable”

Fleet Repair

It can be a challenging managing large fleets and vehicle down-time can have substantial effects on a business. Drive Accident Solutions offers extra services exclusively for our corporate fleet customers such as job priority, onsite quoting and pick up and drop off services to name a few. Get in touch with our management team today to discuss a tailored solution for your fleet requirements.

Body Work

No matter the manufacturer of your vehicle, Drive Accident Solutions will repair any damage inflicted to the body work of your car. Whether it's painting and finishing or rust repairs, we're always here to help.

Accident Repair

Specialising in collision repairs, Drive Accident Solutions offers superior customer service and thrives on identifying and satisfying customer concerns. With a fast turnaround time, your vehicle will be back on the road in no time, and looking just like new! Plus, we work with all insurance companies as well as private repairers!

Dent Repair

Runaway trolley hit your car in the shopping centre carpark? Or one of the kids opened the door against a concrete wall? There are many ways other than being in a car accident to cause dents in your vehicle. If you're wanting to retain the value of your car, it's important to fix any damage as soon as possible. Call our friendly staff and allow us to take care of all of your dents & dings.

Repair While you Travel

Whether it's minor scrapes or excessive damage, our expert team will take care of your vehicle while you're away travelling. Book a quote with us today and have your car as good as new for when you return home.

Painting & Refurbishing

Vehicle looking a little run down or needing a fresh paint job? Drive Accident Solutions can assist you in making your car shine. Whether it's an old vehicle needing a refurbishment, or a newer car ready for a paint touch up – we can help you.

Detailing

If you're considering selling your car or simply because it's been a while since being cleaned inside out – we can find the right solution for you to give your vehicle the polished look that you're after. All vehicles that have been repaired will also be detailed thoroughly. We can also offer comprehensive vehicle detailing, from a basic clean to getting your vehicle prepared for sale.

Servicing & Maintenance

Has your car started to make a strange noise that wasn't there before? Drive Accident Solutions will take care of all your car servicing and maintenance needs, whether you're experiencing mechanical issues or simply in need of a service.

Accreditations

QBE

Drive Accident Solutions is a QBE Accredited Smash Repairer. This means we meet QBE's high standards for experience, expertise, courtesy, service and quality. When we repair your car you can expect an easy claims experience. Taxi vouchers (up to \$50 per trip) – one to get you home after dropping off your car and another so you can pick it up – your car washed and vacuumed, and QBE's lifetime repair guarantee

Tesla

If you have seen one there's no denying that Tesla vehicles are some of the most exciting and head-turning cars on our streets right now. From the Falcon Wing doors to the Smart Air suspension, Tesla is leading the way in terms of innovation and sustainability. Drive Accident Solutions is proud to advise our customers that we are one of only two accredited Tesla repairers in Brisbane!

ISO9001 Quality Management

Drive Accident Solutions is proud to advise all our clients that we have achieved ISO9001 certification. This demonstrates the high degree of commitment we have to looking after our clients and the fact that we always strive to exceed their expectations. Our certified quality management system helps us to continually improve the way we do business and means our customers can feel great confidence that they will be in safe hands with us!

Glasurit

One of the most vital elements in the repair process is the refinishing stage, this is why Drive Accident Solutions proudly chooses to use Glasurit world class refinish to complete all of our vehicle repairs.

Tokio Marine

Drive Accident Solutions is a proud member of the Tokio Marine Repair Network. As part of this agreement we are committed to delivering the highest level of service, quality and cost – effective repairs to our customers.

Subaru

Certified Collision Repairer

Drive accident solutions is a proud member of the Subaru repair team. Being a Subaru certified repairer, your car will be restored to its original condition by specialized and certified technicians that have been factory trained. This insures that we are using genuine parts, so your Subaru remains all Subaru in the event of an accident. This maintains the absolute safety and retained value of your vehicle after repair.
